

LAWRENCE COUNTY HEALTH DEPARTMENT
Food Service Inspections

3/1/2020-3/31/2020

Critical	5		
	1.	Ice machine door in need of cleaning. Food contact surfaces must be maintained in a clean sanitized condition.	
	2.	Foreign substance on food contact surface of chocolate sauce dispenser. Food contact surfaces must be maintained in a clean sanitized condition.*	
	3.	Ceiling above sundae prep area in need of cleaning and sanitizing. Building must be maintained in a manner which will prevent food contact surfaces from possible contamination.	
	4.	Food prep racks stored with excessive food debris accumulation. Food contact utensils/equipment must be cleaned and sanitized after each use and stored in a proper manner to prevent contamination.	
	5.	Unlabeled dry food storage container. Working containers holding food or food ingredients that are removed from their original packages shall be identified with the common name of the food.
