

LAWRENCE COUNTY HEALTH DEPARTMENT

Food Service Inspections

1/1/2021-1/31/2021

The health department divides food service code violations into two categories; critical and non-critical.

Critical violations are more likely than other violations to contribute to food contamination, illness and/or injury.

Non-critical violations, although important to the overall good hygiene of the establishment, do not necessarily present an immediate threat to food contamination, illness and/or injury.

A report for each establishment that is inspected shows the number of critical violations, along with a short statement as to the nature of the violations. The report also shows the number of non-critical violations but doesn't list the nature of those violations. More information may be obtained by looking on our web site www.lawrencecohealth.com.

* = Items corrected on the spot.

** = Sent to the Prosecuting Attorney

= Establishments that have obtained a **star rating**. These establishments received zero (0) critical violations during their pre-opening, change of ownership, routine, or complaint inspection.

Mt. Vernon High School	Mt. Vernon Intermediate School	Wilmoth Enterprises Deli
Mt. Vernon Middle School	Mt. Vernon Elementary School	Lizzy Jeanne's, LLC.
Robinson School (South)	Robinson Elementary School	Aurora High School
Pate Early Childhood School	Taco Bell #769	Aurora Jr. High School
Pierce City Central Elementary School	Pierce City High School	St. Mary's School
Miller High School	Miller Elementary School	Verona R-VII School

	Mt. Vernon	
Angus Branch Grille	Routine	1/5/2021
Critical	4	
1.	Sanitizer bucket without label in drive through area. Working containers used for storing poisonous or toxic materials such as cleaners and sanitizers taken from bulk supplies shall be clearly and individually identified with the common name of the material.*	
2.	Sanitizer bottle stored with to-go containers. Poisonous or toxic materials shall be stored so they cannot contaminate food.*	
3.	Chlorine sanitizer in bottle at waitress station too strong. Sanitizing agent residuals must be maintained in accordance with MO 2013 Food Code and the Lawrence County Food Service Ordinance.*	
4.	Meat slicer with food debris. If used with potentially hazardous food, equipment, food-contact surfaces and utensils shall be cleaned throughout the day at least every four hours.*

LAWRENCE COUNTY HEALTH DEPARTMENT
Food Service Inspections

1/1/2021-1/31/2021

Hot Spot #3		Routine	1/11/2021
Critical	4		
1.	Unlabeled spray bottle hanging on clean utensil rack. Poisonous or toxic materials shall be stored so they cannot contaminate food, equipment, utensils, linens, and single-service and single-use articles.		
2.	No sanitizer for utensils/equipment. Utensils and food-contact surfaces of equipment shall be sanitized before use after cleaning.		
3.	Employee drink with no lid stored on food/utensil rack. An employee shall eat, drink, or use any form of tobacco only in designated areas where the contamination of exposed food; clean equipment and utensils cannot result.		
4.	Sausage, eggs, burritos, etc. in walk-in with no date marking. Refrigerated, ready-to-eat, potentially hazardous food, prepared and held in a food establishment for more than twenty-four hours shall be clearly marked to indicate the date by which the food shall be consumed on the premises, sold, or discarded.		
Non-critical	7		
T/A Truckstop		Routine	1/13/2021
Critical	1		
1.	Eggs, sausage, etc. in containers in walk-in without discard date. Refrigerated, ready-to-eat, potentially hazardous food, prepared and held in a food establishment for more than twenty-four hours shall be clearly marked to indicate the date by which the food shall be consumed on the premises, sold, or discarded.*
