

# Consumer Awareness: Food Trucks

## What do I look for?

When purchasing from a food truck operating in the county you want to look for a **food permit** and an **inspection report** from your county's health inspectors.

## What should I do if I don't see these things?

1. When in doubt ask the vendor if they have proof of being permitted and inspected in the county.
2. If the vendor cannot provide proof, we advise you to not purchase or consume the food product being sold as they are not inspected by your local health department and could be a potential risk to your health.
3. Contact your local health department.
  - Lawrence County Health Department
  - 105 W North St. Mt. Vernon, MO 65712
  - 417-466-2201

## Why is it important? What do you look for?

- Proper Food Handling
- Proper Food Storage
